Planning Case Officer: Zahra Jam-Rotbeh

Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The Local Highway Authority (LHA) refers the Local Planning Authority to current standing advice provided by the Local Highway Authority dated September 2011.

The Applicant is advised to note that should planning permission be granted, the Applicant would still need to apply to the LHA for a vehicle crossover (dropped kerb) permit. Further details of the requirements can be found at <https://www.leicestershire.gov.uk/roads-and-travel/cars-and-parking/vehicle-access-dropped-kerbs>.

The Applicant should also note that the approval of planning permission does not guarantee permission for the required works permit, this process comes with its own criteria which must be met in order to gain approval of the required permit.

The LHA would remind the Applicant that it is an offence under Section 184 of the Highways Act 1980 to drive a vehicle across the kerb and footway in order to gain access to a property unless a properly constructed dropped kerb crossover is in place.
