Hi,

Please add the attached plan for the above application & re-consult the LCC Tree Officer please.

The 4 trees aren't yet tpo'd trees but they are about to be tpo'd (in the next few months) & the applicants have submitted a tree protection plan, a tree survey constraints plan & a tree survey report with this application.

They are looking to deal with any conditions now ideally before a decision is reached.

With thanks,

David
