Hi,

Please consult **LCC Archaeology** for the above application with the attached Written Scheme of Investigation.

As part of a recent permission **21/00364/FUL** the applicant was required to complete an appropriate level of building recording prior to demolition, to record and advance the understanding of the significance of any heritage assets to be lost (in part) in a manner proportionate to their importance (NPPF Section 16, paragraph 199).

With thanks,

David
