Project Name:	Lynton Childcare Ltd - Expansion Programme
Landscaping details	
There will be minimal changes to the existing landscaping on site. The outdoor space will remain unaffected by the proposed extension, and all existing trees, hedges, plants, flowers, and fencing will be retained. No alterations will be made to the ground levels, and any soil removed during groundworks will be responsibly removed from the site by the appointed contractors. The integrity and appearance of the garden and outdoor learning areas will be fully preserved.
