

The Town and Country Planning (General Permitted Development) (England) Order 2015 (As amended)
Part 6 - Agricultural and Forestry Class: A: Agricultural Development on units of 5 hectares or more

Proposed Agricultural Permitted Development - Assessment

Application Ref: 24/00018/AGDO

Permitted development

The carrying out on agricultural land comprised in an agricultural unit of 5 hectares or more in area of:

- (a) works for the erection, extension or alteration of a building; or**
(b) any excavation or engineering operations, which are reasonably necessary for the purposes of agriculture within that unit.

Officer Statement on Class A eligibility and agricultural justification:

The application seeks prior approval for an agricultural building at Osbaston Lodge Farm, which would approximately measure 15 metres in depth, 32 metres in width, and would feature a gabled roof measuring 4.5 metres in maximum height and 3.6 metres to the eaves.

The site relates to a working farm and the portal framed building will be used as an agricultural machinery store. The site is agricultural by nature and is outside of a settlement boundary, so therefore within the countryside.

Development is not permitted by Class A if:

(tick if triggered)

(a)	The development would be carried out on a separate parcel of land forming part of the unit which is less than 1 hectare in area	
Comment:	The development will not be carried out on a separate parcel of land of more than 1 hectare.	
(b)	It would consist of the erection or extension of any agricultural building on an established agricultural unit (as defined in paragraph X of Part 3 of this Schedule) where development under Class Q or S of Part 3 (changes of use) of this Schedule has been carried out within a period of 10 years ending with the date on which development under Class A(a) begins;	
Comment:	No such development under Class Q or S has been carried out.	
(c)	It would consist of, or include, the erection, extension or alteration of a dwelling	
Comment:	The development does not consist of or include the erection of, or extensions or alterations to a dwelling house.	
(d)	It would involve the provision of a building, structure or works not designed for agricultural purposes	
Comment:	The proposed works are designed for the purposes of agriculture.	
(e)	The ground area which would be covered by:- - any works or structure (other than a fence) for accommodating livestock or any plant or machinery arising from engineering operations; or - any building erected or extended or altered by virtue of Class A, would exceed 1000 square metres, calculated as described in paragraph D.2	
Comment:	The proposal would not exceed 1000 square metres.	
(f)	The height of any part of any building, structure or works within 3 kilometers of the perimeter of an aerodrome would exceed 3 metres	
Comment:	The proposed development is not within 3 kilometres of an aerodrome.	
(g)	The height of any part of any building, structure or works not within 3 kilometers of the perimeter of an aerodrome would exceed 12 metres.	
Comment:	No part of the development would exceed 12 metres in height.	
(h)	Any part of the development would be within 25 metres of a metalled part of a trunk road or classified road.	
Comment:	The proposed development is not located within 25 metres of a metalled part of a trunk road or classified road.	

(i)	It would consist of, or include, the erection or construction of, or the carrying out of any works to, a building, structure or an excavation used or to be used for the accommodation of livestock or for the storage of slurry or sewage sludge where the building, structure or excavation is, or would be, within 400 metres of the curtilage of a protected building.	
Comment:	The proposed building would not be used for the accommodation of livestock or for the storage of slurry or sewage sludge.	
(j)	It would involve excavations or engineering operations on or over article 2(4) land which are connected with fish farming; or	
Comment:	The proposed development does not involve excavations or engineering operations on or over article 2(4) land which are connected with fish farming.	
(k)	any building for storing fuel for or waste from a biomass boiler or an anaerobic digestion system- i) would be used for storing waste not produced by that boiler or system or for storing fuel not produced on land within the unit; or ii) would be within 400 metres of the curtilage of a protected building.	
Comment:	The proposed building will not be used for storing fuel or waste from a biomass boiler or an anaerobic digestion system	
	Has another agricultural building been constructed within the last two years? <i>(The guidance that accompanies Part 6 indicates that the calculation of the ground area should include other buildings constructed within the preceding two years. In considering the other building constructed, the development still falls within the 1000 square metre threshold).</i>	
Comment:	There is no record of any other agricultural buildings being erected in the last two years. This is in accordance with the guidance which states that applications for GDO buildings shall not be made within two years of one another.	

The proposed development is classed as permitted development as defined within the Town and Country Planning (General Permitted Development) Order 2015, Schedule 2, Part 6. In terms of design, external appearance and siting of the proposal it is acceptable and therefore prior approval is not required.

Equality Implications

Section 149 of the Equalities Act 2010 created the public sector equality duty. Section 149 states:-

- (1) A public authority must, in the exercise of its functions, have due regard to the need to:
- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
 - (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
 - (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

Officers have taken this into account and given due regard to this statutory duty, and the matters specified in Section 149 of the Equalities Act 2010 in the determination of this application.

There are no known equality implications arising directly from this development.
