### Comments Details

Note to applicant:

|           |                                                                                                                                                                                                                                      |
|-----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Comments: | Where the proposed area of hard-standing exceeds 5 square metres, it should be constructed of porous materials, or provision should be made to direct surface water runoff to a permeable area within the curtilage of the property. |
|-----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Kind regards
