Advice to Local Planning Authority

Background

The Local Highway Authority (LHA) has been consulted on a lawful Development Certificate to establish the existing use of a static caravan as primary and permanent residential outbuilding (C3 Use Class) with associated access, and amenity space at Bank Farm, Shenton Lane, Dadlington.

Based on the submitted application form, the caravan has been in-situ and using an existing access since 1st January 2000. In the event that the LHA considers this to be the case, the LHA advises it could not demonstrate residual cumulative impacts of the development are severe in accordance with the National Planning Policy Framework (2021).
