Ref 8no houses new road burbage

Hi sarah

I would like to confirm our conversation and what we agreed a few days ago.

1. We agreed that we would use stone for the heads and windows sills (photo attached of sample colour)

2. Timber windows to the sizes shown on the drawings, these will have a top opening light and a bottom panel which clips out in case of fire (as requested by building control)

3. Roof tile as per sample sent to you (photo attached)

If you have any queries please give me a call. Can you please confirm you are happy with the above asap.

Thanks

Nick Hall
