Comments Details

Dear Matt,

23/01090/OUT | Outline Application for the construction of employment units (Use Classes E(g)(i), E(g)(ii), B2 and B8) (some matter reserved except for access). | Land At Cliffe Lane Markfield

Thank you for your re-consultation on the above planning application.

We note the submission of a Written Scheme of Investigation (WSI) for archaeological trial trenching (submitted 27/03/2024), which we would recommend is satisfactory.

Comments:

I can confirm that we monitored the programme of trial trenching evaluation in April and have advised the applicant's archaeological consultant that the subsequent report, in addition to the desk-based Assessment, should be submitted by the applicant to the LPA, for formal approval.

Please do feel free to get in touch if you have any further queries.

Kind Regards,

William

Kind regards
