Comments Details

Dear Ashleigh,

25/00968/FUL | Conversion of an outbuilding to form a single dwellinghouse with garaging and associated works (retrospective) | Hall Farm The Green Orton On The Hill Atherstone

Comments: Thank you for your consultation on this application.

Historic aerial photographs indicate that the outbuilding was constructed in the 2010s and as such it is not considered to possess a historic interest. We also note that, given the retrospective nature of the application, there will not be an opportunity to address the potential for archaeological buried remains within the site. Therefore we would recommend that no

further archaeological involvement would be required.

Please do let us know if you have any further queries.

Kind Regards,

William
