Conversion of existing garage into a separate dwelling and alterations 502 Coventry Road, Hinckley, Leicestershire, LE10 0NJ (Resubmission 23/00666/FUL).

Regarding the above, the delegated report associated with application 23/00666/FUL states:

"The development converts a residential outbuilding into a residential dwelling within an area characterised by residential dwellings. The proposal makes very limited alterations to the external appearance of the existing structure, which preserves the character of the area. Therefore, the change of use is not considered to cause any significant adverse impacts to the character of the area."

The former delegated report confirms the principle of the conversion and that the existing built form preserves the character of the area and the proposal is therefore resubmitted on this basis. Minor amendments have addressed the issues of potential overlooking and the parking arrangements including the provision of a dropped kerb following the previous Standing Advice of the Highway Authority.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
