Telephone call with Richard Wright to discuss approved planning consent, No. 24/00807/HOU, for single storey extension. Request was made to reduce the length of the proposed extension, from 9 metres to 7 metres. The height and width will remain exactly the same as in the original application. Received helpful advice to make a 'Non-material amendment of an existing planning permission application', to progress this request.

6. Authority Employee / Member

It is an important principle of decision-making that the process is open and transparent. For the purposes of this question "relating to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the local planning authority.

Do any of the following statements apply to you and/or agent? ☐ Yes

☒ No

With respect to the Authority, I am:

- (a) a member of staff
- (b) an elected member

Householder Planning Application

For the purpose of calculating fees, which of the following best describes the original application type?

Householder development: development to an existing dwelling-house or development within its curtilage ☒

Other: anything not covered by the above category ☐

8. Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make:

We wish to reduce the overall length of the proposed extension by 2 metres. This will mean that the extension accommodation space will be 7 metres long, rather than 9 metres. The width and height of the extension will remain exactly the same as in the original 'Householder planning application' consent, No. 24/00807/HOU. The accompanying PDF document, pages 1 and 2, show the current approved extension plan and the proposed minor amendment for a reduction in length of the extension.
