Comments:	Thank you for your e-mail of August 31st regarding a badger mitigation strategy. I was unaware of the proposed development at Ashby House, Hill Top Farm. Moreover I have not seen any of the documents relating to this such as a plan of the proposed development and a map showing where the badger setts are. An ecologist must have surveyed the area in order to find where the main badger sett and the outlier sett are situated. They are the best placed to comment on the badger mitigation strategy. I am sorry that I am unable to help you. Yours sincerely Dr Pamela Mynott Vice Chair Leicestershire and Rutland Badger Group
