Dear Sullivan,

**25/01161/OUT | Outline planning permission for the erection of up to 120 dwellings and associated infrastructure (Access only) | Land West Of Shilton Road Earl Shilton**

We welcome the submission of the Written Scheme of Investigation (WSI) for the investigation of the above site (submitted 15/07/2026), which we have previously had the opportunity to review. The document proposes a satisfactory programme of archaeological work which, upon completion, will meet the requirements for the initial investigation of the development site.

I can confirm that we recently monitored the trial trenching evaluation fieldwork outlined within the WSI, on behalf of the planning authority, we are yet to see a final report of the investigation. Following the conclusion of the necessary archaeological programme (fieldwork, report preparation and archiving), we will advise the planning authority accordingly.

Should you have any further queries or wish to discuss the site in more detail please do not hesitate to contact me.

Yours sincerely,

William
