Dear Rob,

***Re: Hinckley Phase 4 Development, off outlands Drive, Hinckley (09/00140/REM) Discharge of condition 2***

Further to your recent telephone conversation with Sam Maitland, please find attached a copy of the Noise Mitigation report, prepared by Acoustic Associates, which covers phases 3 and 4 of the above development.

You will note that the summary provides measures for within 33m of Normandy Way, which in the context of Phase 4, means that no mitigation measures are required.

Please can you now provide confirmation of the formal discharge of condition 2. We trust this information will prove satisfactory, but should you in the meantime have any queries then please do not hesitate to contact the writer.

Yours sincerely,

Kevin Pryor
