

24/00574/DISCON Condition 7 – Cover email

Following up on my email of yesterday afternoon and after speaking to our Engineers, they have provided copies of the following drawings which should hopefully satisfy the request of the LLFA, if you can arrange for these to be issued accordingly please on our behalf.

If possible as well, for future correspondence on this application please direct any queries straight to myself and I will ensure these don't slip past us again.

Details attached: -

- Pell Frischmann Drawing – 100032-PEF-ZZ-XX-DR-C-0510-S2-P01. Catchment Plan.
- Pell Frischmann Drawing – 100032-PEF-ZZ-XX-DR-C-0515-S2-P01. Vortex Flow Control Chamber Detail

In addition, reference to the private drainage levels, our engineers have indicated the following reference to the drainage strategy employed across the scheme.
