Dear Sirs,

Re: Extension - 142 Rugby Road, Burbage
Reference: 10/00176/FUL

We refer to your emailed letter dated 4th November regarding the solar panels our clients wishes to install at their above property.

Please find enclosed further information received from the manufacturer and installer of the units. From one of these you will see that the depth of the unit is 90mm.

We trust this provides the additional information you require to enable you to discharge condition 4 of the Planning permission.

Yours faithfully,

R.G. Ogden
