Dear Mr Ogden,

RE: 142 Rugby Road, Burbage- Discharge of condition 4

I write with reference to your correspondence dated 4th and 14th October providing information concerning the discharge of condition 4 attached to planning permission 10/00176/FUL.

Condition 4 requires details of the solar panels to be submitted to. It is my recollection and understanding that this condition was imposed as your clients had not decided on the solar panels they wished to install and therefore there could be discrepancies in the dimensions. No dimensions have been submitted with the information and therefore I am unable to discharge the condition. Please supply these, including the dimensions of the upstand and confirmation of the location on the front roof slope and I will be able to discharge the condition.

If you would like to discuss this matter please contact Sarah Fryer on 01455 255680.

Yours sincerely

Sarah Fryer
Area Planning Officer
