Dear Sir,

PROPOSED CHANGE OF USE OF LAND TO MENAGE TOGETHER WITH FIELD SHELTER - Corner Farm, Copt Oak, Markfield, Leicestershire - For Mrs S Johnson

Following our submission of planning application reference PP 1115871 for a new field shelter and ménage we understand from your department that the application needs to be submitted as a full planning application for change of use of the land. No written proof exists that the land is no longer used for agricultural purposes and we have therefore completed and submitted a fresh planning application reference No. 1121971 for change of use. All documentation is attached to the application.

As you are aware the application site straddles the boundary between your authority and North West Leicestershire and requires a fee of 150% of the total fee. The application has therefore also been submitted to North West Leics. D.C. but without a fee.

Enclosed is a cheque in the sum of £247-50 which together with the cheque already in your possession totals £502-50 which is 150% of the change of use fee. Hopefully this application can now proceed and if you need any more information please contact this office.

Yours faithfully,

M J Smalley
