Good afternoon

Many thanks for your email dated 23 June 2025, unfortunately Daniel Putnam who reviewed the application and provided highway comments to the Local Planning Authority (LPA) is no longer with the department.

The Local Highway Authority (LHA) previously responded to you on 24 March 2025 (Attached), the advice remains the same.

In relation to condition 4 attached to 23/00763/FUL, you will need to submit the drainage details you plan to undertake to the LPA as the decision making authority, the LHA are a consultee only. If you have any questions in relation to this, you should contact planningfoldernew@hinckley-bosworth.gov.uk for the application form and to confirm the fee.

All other conditions are considered on-going conditions and need to be complied with in perpetuity. If you require confirmation the conditions have been complied with, ie works have been undertaken to the satisfaction of the requested condition, that also is a matter for the Local Planning Authority as the decision making authority.

Kind regards,

Neal Chantrill

Subject: Highways agency contribution to planning application

Attention: Daniel

The highways agency made a contribution to my planning application for Clovelly House School, Merrylees Road, Thornton, LE67 1AP requesting certain conditions.

We have had Leicestershire highways agency to complete the work required. Please could you review this, potentially to sign it off so that the planning can be closed.

I am attaching the relevant paperwork.

Many thanks,

Kind Regards,

Jennifer Collighan
