law

- existing hedge to be retained with conifers removed, gaps to be filled as necessary with *Ilex aquifolium* C2 40-60cm at 500mm spacings

existing kennels

All works to be carried out by or under the direct supervision of an experienced and qualified landscaper. The scheme should be entirely laid out and adjustments made as necessary prior to hard landscaping works beginning.

All designs for retaining and other load bearing structures should be checked and verified by a structural engineer.

With any excavations there is a chance of finding major services, please make sure the necessary steps are taken to avoid injury and disruption to services.

No elements of the design should be dangerous to build or maintain, if there are any concerns over health and safety please contact CLD Ltd so that the design can be revised.

If any information is missing, incorrect or unclear please contact

CLD Ltd.
For quotation purposes and during construction all dimensions must be checked on site by the contractor.
Please contact CLD Ltd if you have any questions during quoting or construction.
Further drawings and details are available on request.

Project: Elmsdale House, Sheepy Magna

Drawing: Layout 2 of 4

Scale: 1:100 @ A1 (All dimensions must be checked on site)

Version: C

Date: 21/04/23
