Comments:
Could you please consider the Highway Authority response through the 'Standing advice' procedure with the following comments?:
Note- See previous history- Highway Authority consultation response for 07/01289/FUL.
Note- On the basis of the submitted plans, it would appear that a tree within the limits of the Highway will be removed but before any works to the tree are commenced the Applicant must first obtain the separate consent of the Highway Authority. If approval is granted, the Applicant may be required to provide appropriate replacement trees.
