**Leicester, Leicestershire & Rutland Integrated Care Board to
Hinckley and Bosworth Borough Council**

Development REF: **23/00330/OUT**
Response Date: **25/04/2023**

The ICB acknowledge the planning application letter for 23/00330/OUT which identifies 500 additional dwellings in the Earl Shilton SUE.

The ICB have reviewed historical papers relating to the ETTF scheme at Heath Lane Surgery.

The business case at the time, took into account 1,500 new homes. When considered with the car park extension that came from the last S106 development scheme (Westfield Farm) the ICB is satisfied the practice does not require additional extension to cater for the primary care needs of the new SUE population.

The practice was forward thinking and keen to develop its range of services, hence why it was on the front foot in anticipating the impact of the SUE.

On this occasion Leicester, Leicestershire and Rutland ICB will not be requesting for health funding to support the health infrastructure in Hinckley and Bosworth.

Thank you for the opportunity to comment on the planning application.

Yours Sincerely

Neera Sentur
Programme Support Officer
