

Technical drawing of a house elevation. The drawing shows a house with a gabled roof and two windows. Dimensions are indicated on the left: a total height of 6890 and a lower section height of 4015. Callouts 1 through 7 point to specific architectural features: 1 points to the roofline, 2 points to the eave, 3 points to the roof slope, 4 points to the roof slope, 5 points to the roof slope, 6 points to the roof slope, and 7 points to the roof slope.

A technical cross-section drawing of a house. The drawing shows the roof, walls, floor, and foundation. Key features include:

- Roof:** A gabled roof with a dashed line indicating the insulation layer.
- Walls:** The walls are shown with a dashed line indicating the insulation layer.
- Floor:** The floor is shown with a dashed line indicating the insulation layer.
- Foundation:** The foundation is shown with a hatched pattern.
- Labels:** Numbered labels 1 through 7 point to specific structural elements:
 - 1: Roof structure (truss/beam)
 - 2: Roof insulation
 - 3: Wall structure
 - 4: Wall insulation
 - 5: Floor structure
 - 6: Floor insulation
 - 7: Foundation
