Dear Jonathan,

The bin store will be located just inside the childrens garden as per the attached plan showing location of bin store where we would have, initially, two 240l wheelie bins - one for recycling and one for non-recyclable. Food waste will be disposed of using the waste disposal unit in the nursery kitchen.

The area is easily accessible from the car park which has enough space and turning area for a normal bin lorry. Waste will be picked up weekly through a contract with Hinckley and Bosworth Borough Council.

Thank you

Joy
