LCC Reference Number: 25/00813/FUL

Erection of 27 dwellings with associated access, parking, landscaping and drainage

Thank you for your consultation in respect of the above planning application. The County Council has considered the application, having regard to the Development Plan, National Planning Policy Guidance and other relevant material considerations. In this particular instance, the County Council, as Minerals and Waste Planning Authority, comments as follows;

Although the development site is located close to the existing Old Cliffe Hill Quarry void, the new development would not form the closest residential receptors to the existing operation taking place. The proposed site does not sit within a Mineral Safeguarded Area, so therefore the County Planning Authority has no comments to make.

Yours Sincerely,

Harry Thornley
