Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The Local Highway Authority (LHA) refers the Local Planning Authority (LPA) to current standing advice provided by the Local Highway Authority dated September 2011.

The LHA direct the LPA's attention to the following point for consideration:

- The proposals show that the Applicant may need to remove a section of grassed highway verge. Whilst this may be acceptable there may be statutory undertaker apparatus located within the verge fronting the site; the Applicant will need to undertake surveys and potentially works to relocate these services. Any additional cost that arises as a result of this would be entirely at the Applicant's expense.
