Dear Mr Kalyanji

09/00443/FUL – 3 Church Walk, Hinckley

I refer to your application with the details to discharge the condition in relation to the perforation design for the proposed roller shutter.

Whilst a more open design is preferred, particularly within the conservation area, I note the design proposed with 22 gauge perforation will allow a limited view through the shutter when it is in use. The colour (RAL 5002 Blue Gloss) is acceptable. I therefore discharge condition 3 of planning permission 09/00443/FUL.

If you require any further information, please contact Louise Forman on the above telephone number.

Yours sincerely
