Rev	Date	Description

This plan has been surveyed to the scale shown
Caution should be exercised when enlargements are made

Some services may not have been surveyed due to parked
vehicles or other obstructions

All dimensions have been measured or estimated from ground level, unless stated otherwise.

Tree species shown should be treated with caution and expert identification is advised.

Drainage Information has been taken from a surface inspection and should be treated as approximate only.

All critical dimensions should be confirmed onsite prior to the commencement of any works.
