Biodiversity Report

Ref:- 25 Middlefield Lane, Hinckley, Leics. LE10 0QZ

Proposed – Extension to the side & rear of detached house

Drg No 4145 - pp-537554

Following our recent survey for the above application ~

Access to the roof space showed that there were no bats, wildlife or any nesting birds living within the rafters.

The owner also confirmed that this had been the situation during their ownership of the property.
