SCANNED

To whom it may concern,

The extension which we would like to build on the back of 47 Boswarth Close, a one bedroom bungalow, which our son Mr. Jason Walkley currently lives, is to make it possible for his girlfriend and their expected baby due in August to move in with him.

The bedroom is very small and would benefit from the extension to make it possible to have the necessary bedroom furniture, and the smaller room would be a bedroom for the baby.

Yours sincerely

P.A. Walkley (MRS)
