I write to confirm the outcome of my attendance at your home earlier this week, following complaints that you had constructed a wooden carport/garage forward of the principal elevation of your dwellinghouse. The structure is therefore, unauthorised requiring planning permission and consequently a breach of planning control has occurred. I am therefore affording you the opportunity to either.

- a. Apply for the retrospective planning consent by submitting an on-line application reflecting the structure as built on site.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
