Description of Application: New access to property and dropped kerb

GENERAL DETAILS

Planning Case Officer: Zahra Jam-Rotbeh

Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The Local Highway Authority (LHA) refers the Local Planning Authority to current standing advice provided by the LHA dated September 2011.

The Applicant is advised to note that in order to facilitate any drop kerb extension, the Applicant would need to apply to the LHA for a vehicle crossover (dropped kerb) permit. Further details of the requirements can be found at: <https://www.leicestershire.gov.uk/roads-and-travel/cars-and-parking/vehicle-access-dropped-kerbs>. The Applicant should note that the approval of planning permission does not guarantee permission for the required works permit. This process comes with its own criteria which must be met in order to gain a successful permit application.

While it is noted the Applicant does not intend to relocate the existing street light, should this be deemed necessary it would be at the full expense of the Applicant.
