9th September 2008.

Dear Sir's

Inspection of roof space with regards bats & nesting birds.

4 Lochmore Close, Hinckley, LE10 0TY.
Two Storey Extension & Alterations To Dwelling House

With regards to the planning application for the above proposal, I can confirm that a thorough inspection of the roof space was carried out on 15th July 2008. There were no signs of birds nesting or bats inhabiting the roof space or components of the roof at this time.

Yours faithfully

Barry Brooks MRICS MBEng
