Thank you for your consultation in respect of the above planning application. The County Council has considered the application, having regard to the Development Plan, National Planning Policy Guidance and other relevant material considerations. In this particular instance, the County Council, as Minerals and Waste Planning Authority, comments as follows;

Having reviewed the planning application documents including the submitted Mineral Resource Assessment by Fisher German and the details contained within, the County Planning Authority have no objections to the proposal from either a minerals or waste perspective.

Yours Sincerely,

Amelia Mistry
