All the benefits of a VELUX roof window with a traditional appearance.

Our classic windows blend tastefully into the roof of your old building with a vertical centre bar and black finish exterior. All our conservation roof windows have the technically superior features of a VELUX roof window in a traditional black conservation style. No matter what type of glazing you choose, you'll have the added benefit of energy efficiency and all the features you'd expect.

Product features:

- Available in either centre-pivot or top-hung opening.
- Black external profiles and glazing bar.
- Recessed installation possible for slate and tile roofs.
- Rotates 180° for easy cleaning of the outer pane.
- Insulation collar and Underfelt collar included in all conservation packages.
