The steps taken were:

The land is believed to be owned by the registered title holder of the main site who has maintained over many years and applied for legal title over this ditch/watercourse, but still awaits registration at the time of this application submission

I have/the applicant has given the requisite notice to the persons specified below being persons who, on the day 21 days before the date of this application, were owners/agricultural tenants of any part of the land to which this application relates.
