

## Indicative images

## Natural play

## Trim train

The image is a composite of two photographs. The left photograph shows a row of six wooden stumps of varying heights arranged in a line on a grassy field. The right photograph shows a man in a black long-sleeved shirt and black shorts performing a high lunge exercise on a wooden balance beam. He is in a dynamic pose, with one leg extended forward and his foot held by a resistance band. The background of both images is a park-like setting with trees and a path.

## Key

-  Site boundary
-  Existing trees/vegetation to be retained  
(purple dash ring denote RPA)
-  Existing trees/hedgerows to be removed
-  Proposed feature tree planting
-  Proposed avenue tree planting
