Comments:
I believe as a resident in Barwell that the village needs more choice in local food retail shopping. A Tesco store actually in the the High Street would greatly benefit all the residents by giving them a choice and perhaps save costs as Tescos and the current Co-op store would be in direct opposition in regard to prices and

availability of food etc.
My father in law also lives in the village and has stated to me that he would shop there if this application were to be approved.
All aspects of safety and parking would need to be agreed but I would be in favour of this application.
