Our Reference: **AS-Arb/25/003 Rev01**

FAO: **Mr. Neale Wood**

Location of works: **46 Convent Drive, Stoke Golding, Nuneaton CV13 6JF**

Quotation details:

Following site visit by Peter Logan of AS Arb on 15th January, unable to access property (no. 46) but able to see the trees from over the fence, then from garden of property (no.60) the below works were identified:

- **Rear garden of 46 (red dot in above picture)**
 - Giant Sequoia
 - Remove all major deadwood
 - (if allowed) remove low bough growing over hot tub area of no 60
 - Chip and remove arising from site
- **Rear garden of 46 (yellow dot in above picture)**
 - Holly
 - Standing dead – fell to stump height
 - Chip and remove arising from site
- **Additional item, email request on 21.01.2025**
 - Remove deadwood from Oak tree located in garden of no.46

AS ARB Ltd

41 Stoneleigh close, Redditch, Worcestershire, B98 7YW

**Notes:**

- Parking and processing would be roadside.
- Access to rear gardens of both 46 & 60 would need to be granted.
- Resident form no.60 advised boughs were falling from the Sequoia and she is concerned about this.
- An Oak tree was also down on the original request for works, upon site visit the Oak had already been pruned to clear property no. 46. It is not known when this work was completed or by who.
- Welfare Facilities are not available on site
- Client has advised trees are subject to a TPO.

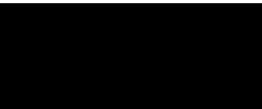

Allowances

- Three-person Arboricultural Team
- One vehicle with chip capacity
- One towable chipper.
- Climbing PPE
- Selection of power tools to include chainsaws (ground and aerial usage), pruning saws, long reach pole saws
- Cleaning up tools including leaf blower, shovels and rakes.
- Chapter 8 – advanced warning tree cutting signs, road narrow, directional arrow and 10 x cones will be required

All tree work is carried out in line with British Standard BS3998:2010 Recommendations for Tree Work

I trust the above meets with your approval please let us know if you require any further information.

Best Regards,

Peter Logan F.d.Sc Arb, M.Arbor.A, CEnv
