Dear Sir/Madam

APPLICATION NO : 26/00628/AGDO
NOTIFICATION TO DETERMINE IF PRIOR APPROVAL IS REQUIRED FOR A PROPOSED
EARTH BANKED SLURRY LAGOON
GENERAL PERMITTED DEVELOPMENT (ENGLAND) ORDER 2015, SCHEDULE 2 PART 6 (as
amended)
Land South of Willow Farm, Thornton Lane, Stanton Under Bardon

I refer to your recent notification under the provisions of Schedule 2 Part 6 of the Town and Country Planning (General Permitted Development) (England) Order 2015 of your intention to construct an earth banked slurry lagoon on land at **Land South of Willow Farm, Thornton Lane, Stanton Under Bardon.**

From a recent visit to the site I am able to confirm that the proposed siting and appearance of the proposed slurry lagoon is considered to be satisfactory insofar as the nature of the development is well related to the agricultural used within the site and is sufficiently screened from public view so as not to appear unduly prominent. Therefore, I hereby notify you on behalf of the Local Planning Authority that prior approval of the proposed development is not required.

You are reminded that the development must be carried out in accordance with the conditions and criteria of Class A, Part 6, Schedule 2 of the General Permitted Development (England) Order 2015 (as amended).

Yours faithfully

C. Brown.
