APPLICATION DETAILS:

Planning Application Number: 26/00706/FUL

LCC Reference Number: 26/00706/FUL

Applicant:

Description of Application:
Proposed Pump Track

Location of Application:
Village Hall, Hall Drive, Stoke Golding, Nuneaton, Leicestershire

Thank you for your consultation in respect of the above planning application. The County Council has considered the application, having regard to the Development Plan, National Planning Policy Guidance and other relevant material considerations. In this particular instance, the County Council, as Minerals and Waste Planning Authority, comments as follows;

The development site is located within the mineral safeguarding area for sand and gravel as identified in the adopted Leicestershire Minerals and Waste Local Plan 2019-2031. However, in considering the location, scale and nature of the proposal, which is small scale and close to residential development, it would be neither practicable nor viable to extract mineral in this location, and as such the County Council has no objections to the proposal.

Yours Sincerely,

Vicky Webb
Principal Planning Officer
