NOTES

1. It will be most helpful if the application number shown overleaf is quoted in all correspondence.

2. If the applicant is aggrieved by the decision of the Local Planning Authority to grant conservation area consent subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 10 of the Planning (Listed Building & Conservation Areas) Act 1990 within **six months (see para 2a below)** of the date of this notice. (Appeals must be made on a form which is obtainable from the Planning Inspectorate, Hawk Wing, Room 3/23, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.) The Secretary of State has power to allow a longer period for the giving of notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that the permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements as set out in Section 10 of the Planning (Listed Building & Conservation Areas) Act 1990, to the provisions of the development order and to the directions given under the order. He does not in practice refuse to entertain appeals solely because the decision by the Local Planning Authority was based on a direction given by him.

2a. Appeals- new time rules. Appeals relating to applications made to the Local Planning Authority on, or after, 5th September 2003 must be made within **six months** of the date of this notice.

3. If conservation area consent is granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any works which have been or would be permitted, he may serve on the Council a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Section 32 of the Planning (Listed Building & Conservation Areas) Act 1990.

4. In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.

5. This consent relates to planning control only and is without prejudice to any other statutory consents or approvals that may be required under the Building Regulations or other enactment's.

6. The obtaining of conservation area consent for the demolition of a building does not free the applicant from his duty to give specific notice of the intended demolition to the Local Planning Authority under Section 29 (3) of the Public Health Act 1961.

7. Attention is drawn to Section 8 of the Planning (Listed Building & Conservation Areas) Act 1990 the effect of which may not be undertaken (despite the terms of the consent granted by the Local Planning Authority or the Secretary of State for the Environment) until notice of the proposal has been given to the Royal Commission on Historical Monuments, Fortress House, 23 Saville Row, London W 1, and the Commission subsequently have either been given reasonable access to the building for at least one month following the grant of consent, or have stated that it has completed its record of the building or that it does not wish to record it.

8. This consent does not grant or imply permission for any material change in the use of the building(s) to which it relates, nor for the redevelopment of the site of the building(s) after its (their) demolition.
