Thank you for your consultation in respect of the above planning application. The County Council has considered the application, having regard to the Development Plan, National Planning Policy Guidance and other relevant material considerations. In this particular instance, the County Council, as Minerals and Waste Planning Authority, comments as follows:

The County Planning Authority has no objections to the proposal. Whilst part of the access track falls within a minerals safeguarding area for Sand & Gravel, the development is an alteration to an existing field located outside the MCA and as such the County Council has no objections to the proposal.

Yours Sincerely,

Leo E. Oliver
