Dear Emma Baumber,

I write concerning your planning application [25/00461/FUL](#), for works involving the demolition of the Hinckley and District Hospital on Mount Road, Hinckley.

Historic England have received an application (our reference 1494106) to add this building to the List of Buildings of Special Architectural or Historic Interest, which is currently under consideration.

We defer to the right of the LPA to determine 25/00461/FUL according to your timescales, though where possible we will work to achieve an outcome for 1494106 in advance of these.

In order for us to do so, please could you confirm the projected determination date for 25/00461/FUL?

We will notify you of the outcome for 1494106 as soon as we are able to do so. If this enquiry would be more appropriately dealt with by one of your colleagues, I would be grateful if you could forward it on to them.

Best,
Adam
