Description of Proposed Works

Please describe the proposed works

Extension of the existing driveway boundary fence to a height of 1.83 metres, within the existing property boundary. To improve security and privacy. The fence would be constructed of a similar material and function. The proposed fence will not obstruct visibility for vehicles or pedestrians using the adjacent highway or footpath. As the fence runs alongside the driveway and does not interfere with the sight lines at access points. The increase in height will not result in loss of light or have any overbearing impact or loss of amenity to neighbouring property.

Has the work already been started without consent?

- ☐ Yes
☒ No

Materials

Does the proposed development require any materials to be used externally?

- ☒ Yes
☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:

Boundary treatments (e.g. fences, walls)

Existing materials and finishes:

The proposed fence will be constructed using either composite fencing panels or timber fencing. The materials have been chosen to provide a high-quality, durable finish that complements the existing property and surrounding streetscape. The design and materials will ensure the fence has a neat and attractive appearance, contributing positively to the visual amenity of the street.

Proposed materials and finishes:

The proposed fence will be constructed from either composite panels or treated timber. The finish will be in a neutral colour, such as black, brown, or light brown, to ensure the fence is in keeping with the surrounding properties and enhances the appearance of the street. The materials and finish have been selected to provide a high-quality, durable, and visually attractive boundary.

Are you supplying additional information on submitted plans, drawings or a design and access statement?

- ☒ Yes

Biodiversity net gain

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

- ☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

- ☒ Yes
☐ No

Is any of the land to which the application relates part of an Agricultural Holding?

- ☐ Yes
☒ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of “agricultural tenant” in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
