

The Hinckley SCHOOL

Replacement STEM Building

Demolition Plans

March 2023

SPL0001-SOS-ZZ-XX-T-A-9011

P01 - First Issue. 08th March 2023

SENSE OF SPACE

The diagram below highlights the buildings to be demolished.

Blocks B+C.

Brick faced single storey classroom building (Science) with pitched roof. Residential scale to the buildings designed to reflect the local character. The building sits in an elevated position above blocks D + E.

Total 1,770m2 footprint

Block D + E.

Predominantly single storey DT, Art and food classroom building with flat roof and first floor bridge link back to block B. The building features a saw-tooth roof design with level eaves / facias concealing the pitched roof behind. This creates a larger volume ground floor which suited the DT classroom design at the time of construction.

Total 3,060m2 footprint

Existing Cabins. Blocks V + T

2No Lightweight modular single storey classroom buildings built to accommodate overflow teaching spaces.

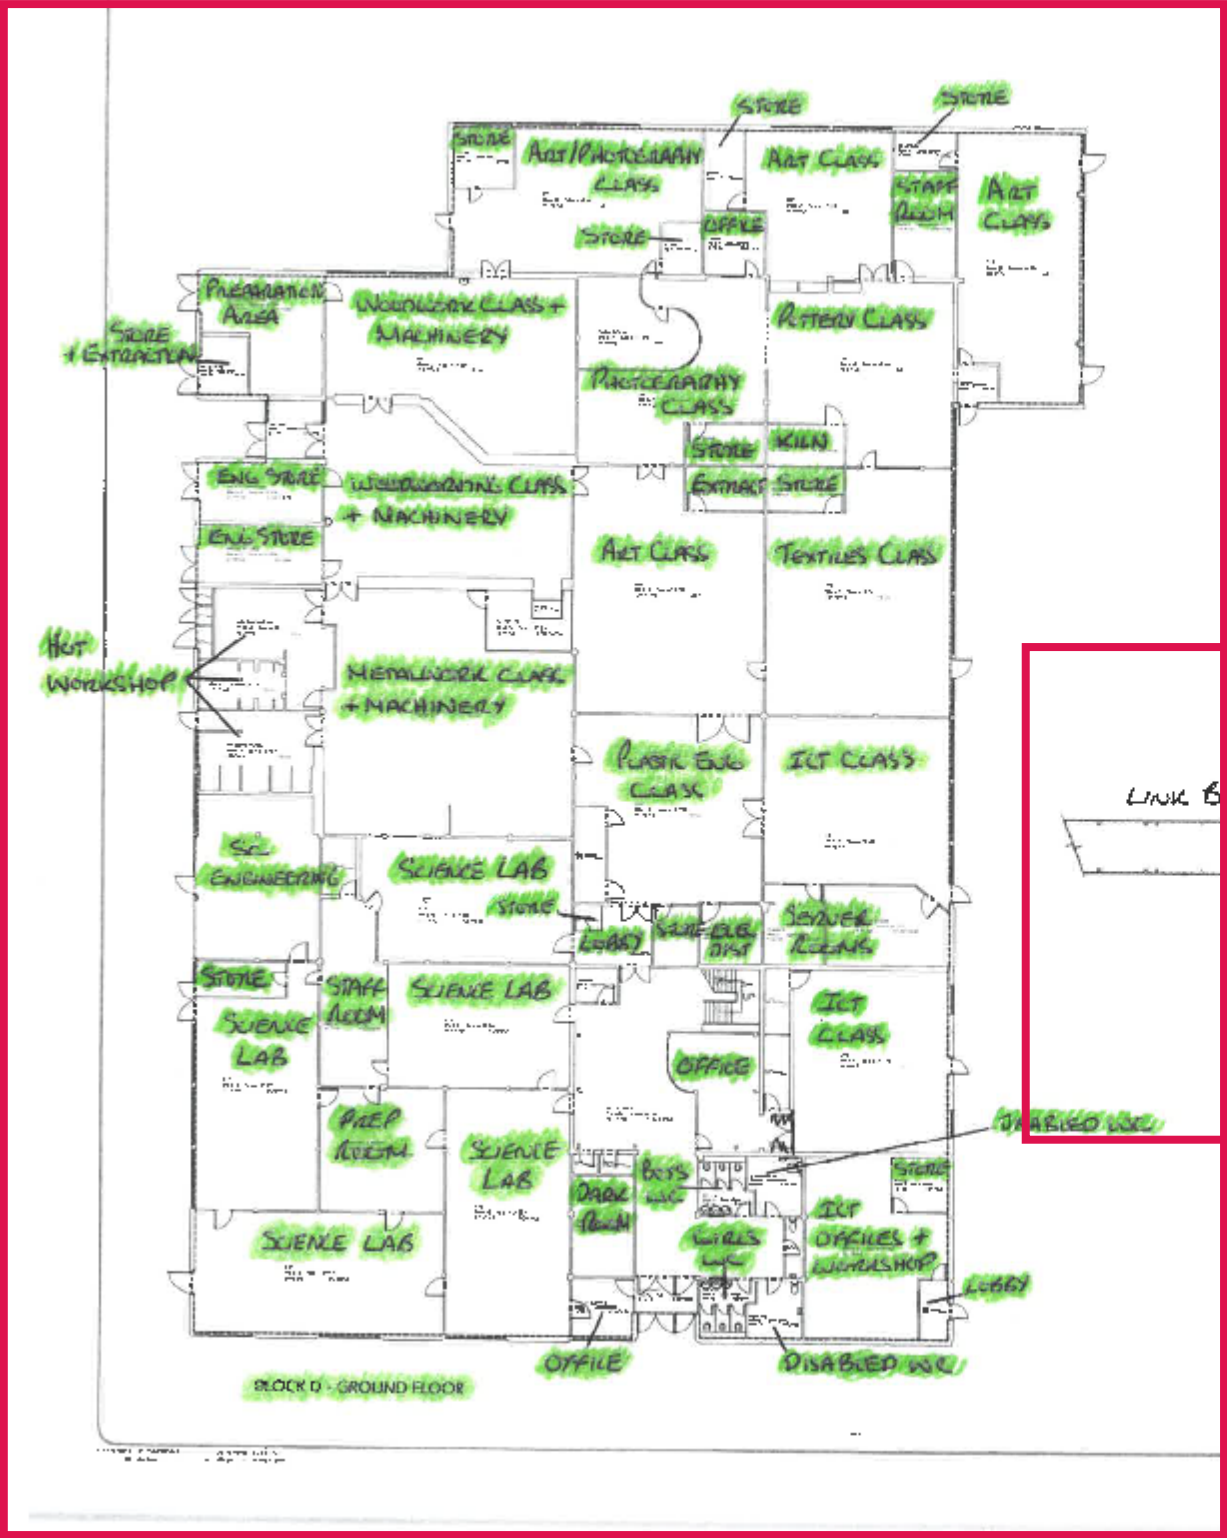

Total 270m² footprint.

Site Demolition Plan

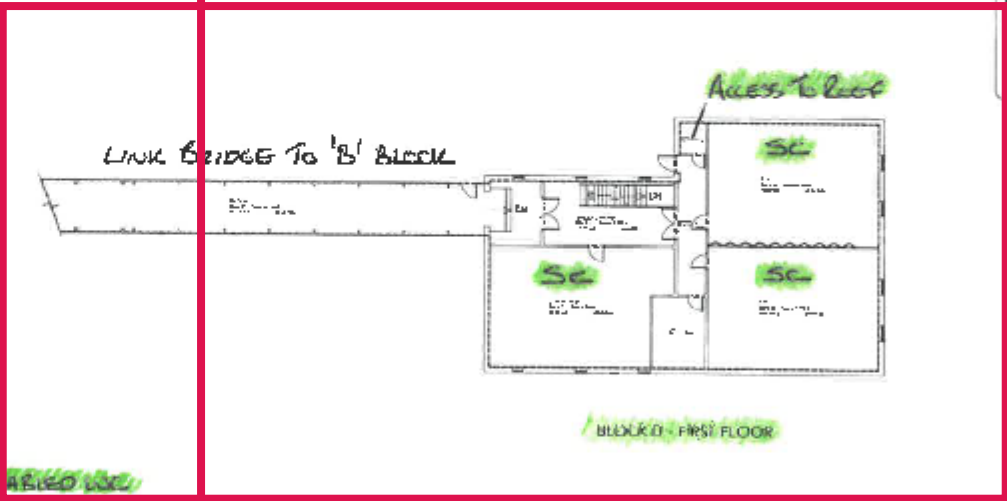

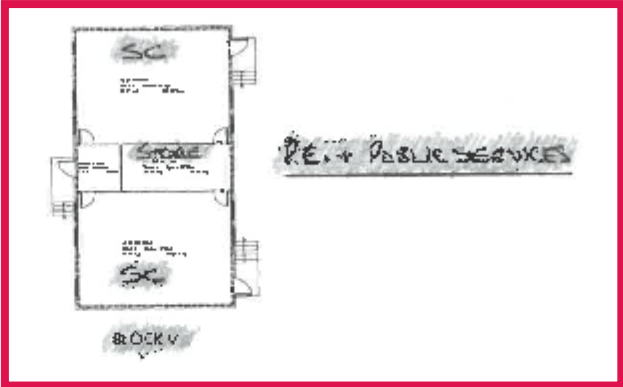

Block D—Ground Floor

SC = STANDARD CLASSROOM

Block V

Block D—First Floor

ACADEMY STATUS SCHOOL
