Thank you for your consultation in respect of the above planning application. The County Council has considered the application, having regard to the Development Plan, National Planning Policy Guidance and other relevant material considerations. In this particular instance, the County Council, as Minerals and Waste Planning Authority, comments as follows;

The County Planning Authority has no objections to the proposal. The application site lies within a safeguarding area for sand and gravel within the borough, however given the urban nature of the proposal, scale and location we have no objections in this instance. We have no comments from a waste safeguarding perspective either.

Yours Sincerely,

Amelia Mistry
Planning Officer
