Robert

As requested, please find the attached legal agreement with the Farmer (who owns the adjacent field), providing the SWS discharge from the development, as originally requested by Sarah Mallet during the planning application.

I have copied Sarah and Geoff directly into the e-mail, so they can hopefully confirm discharge of condition 3 on the attached Reserved Matters permission.

Kind regards
Mark

Subject: St Martins Convent - discharge of conditions

Hi Mark

I have studied the information submitted as part of the discharge of conditions applications for planning permission 10/00358/OUT & 11/00219/REM. We do not appear to have received your site investigation report prepared by Sirius. Please could you send this over by email so I can forward to the relevant consultee and avoid any delays in a response being received.

I have attached an update for all conditions which shows how the conditions will be dealt with. I will update you as soon as a response is received from any consultees.

Kind Regards
