Good morning,

You will find attached a Section 257 Town and Country Planning Act 1990, Public Footpath S27 to permanently close T93 due to clashes with the new proposed development and permanently divert it.

Kind regards

This advice is my informal opinion, which whilst given in good faith is not binding on any future Council decision/action. If you want to receive formal advice on whether planning permission is required please apply for pre-application advice or submit an application for a Lawful Development Certificate. This advice is also in respect of the Town and Country Planning Acts only, you are advised to ensure that all other consents and restrictions are addressed.
